Picnic Basket in the Fairy-Tale Forest

The weekend is before you...
After an exhausting and hectic week,
crowds and city noise, you surely wish to
spend some time in a tranquil,
calm and green environment.

Only 100 km of a highway from Zagreb,
i.e. only an hour of driving, separates you
from the peaceful oasis and Fairy-Tale Forest
in Međimurje.

Gather your family and friends and embark
into the interesting and innovative
Fairy-Tale Forest.

Lay out your picnic blanket and enjoy
the local home-made simple dishes
prepared according to the recipes
from the old Zrinski cookbook.

You will encounter mystical
characters from the Međimurje
legends, meadows, forests and
wooded areas, romantic spots and a
thematic trail that will thrill you.

Through the Fairy-Tale Forest you will be guided by Veronika Aurora Zrinski together with Juraj Zrinski. They will acquaint you with the secretive inhabitants of the magical forest.

Only those who will follow their instructions will have the unbelievable opportunity to come face to face with the terrible Pozoj, whom only the Devil's Apprentice was able to tame. Then you will meet Jaril and Lada, who permit only those with pure hearts to enter the forest, followed by the Mura Girls - fairies whose nature depends on the nature of a person.
