Team building programmes in the Fairy-Tale forest

For our team, your team always comes first!
We will create a programme that will meet your professional needs and fulfil your desire for unforgettable fun!

A cooking competition, adrenaline park, night treasure hunt, wellness programme or oeno-gastro tour with food tasting are only some of the possibilities!

TEAM BUILDING PROGRAMMES:

Let's cook like the Zrinskis did...

It is well-known that food (and wine!) connects people! By sharing food, we are sharing an experience. By cooking together, we are creating a space for joint creativity. Food and wine are magical elements that relax and connect. In our programmes, we combine them with the elements of competition, challenge and creativity. The result? A beautiful memory of a pleasant time spent together and "consequences" for your team that you will like very much!

Activities:

- Team cooking and dinner
- **Cooking Show**
- presentation of gastronomic delicacies
- **Cooking Show competition**
- **Wine Roads**
- **gastronomic tours**

Adrenaline & adventure

What is the magical secret of adventure programmes? Going back to the roots! Put a group of people in nature and/or let them compete in exciting disciplines and fun is guaranteed! Apart from dirty knees and smiling faces, your team will unavoidably reach a new level. Cooperation, creativity and team work are the basis of those programmes and that which is left long after they are completed!

Culture & entertainment

Foster creativity and team spirit through legends, tradition and fun! Stimulate playfulness, creativity and cooperation through role play connected with fairy tales and myths, a treasure hunt and competition like in a television talent show! Being immersed in a new role and connect with others in a new way sound mighty fun! Once the closeness and cooperation necessary to find the treasure are experienced, they are not forgotten. Not even on Monday at work!

TEAM BUILDING ACTIVITIES:

I am from Međimurje, guess what I am

Upon arrival to the Fairy-Tale Forest, the visitors are divided into teams. Each team receives a bag with items. Each player must guess what is in the bag using only touch and hearing. The items differ from one another in their texture, shape and purpose, and all are connected with the Fairy-Tale Forest and Međimurje. The team whose members guess the most items wins.

Activity duration: 45 minutes
Ideal for groups up to 20 persons

Međimurje aromatherapy

Upon arrival to the Fairy-Tale Forest, the visitors are divided into teams. Each team receives a set of five scents they have to guess, which are the scents of healing and spice herbs. Furthermore, it is important to know the healing properties of the herbs and how they can help us in everyday life.

Activity duration: 45 minutes
Ideal for groups up to 20 persons

Fairy relay race

Upon arrival to the Fairy-Tale Forest, the visitors are divided into teams. The fairies of the Fairy-Tale Forest like it when there is a merry atmosphere in the forest with lots of laughter. Therefore, they have prepared a relay race where the participants must transport a gnome in a spoon, pull the dragon's tail or see who can tie fairy hair the fastest etc. But know that it is not all, or the fairies always have another game of surprise.

Activity duration: 45 minutes
